Abide in HIS Love

1 John 4:16 emphasizes that we need to be conscious of the love God has for us. It's easy for us to say 'God loves me,' without really understanding what we're saying. The knowledge of HIS love should not be some biblical fact to which we mentally agree, but living reality in our lives.

"God is love, and he who dwells and continues in love dwells and continues in God, and God dwells and continues in him." The word dwell in this verse means 'to abide, to live in.' It does not refer to visiting; it refers to staying or remaining.

God's love isn't just a fact to memorize or a fleeting feeling. HIS love is here to stay. God's love doesn't just stay in good times and leave when things are bad. God's love always remains, so we should remain in HIS love.

Each of us can reap a greater harvest of Christian maturity when we press into God's love. You will grow in difficult times when you abide in the amazing love God has for you.

Ask God to help you declare today to abide in the love HE has for you. So many things change, but God's love never leaves so we can confidently choose to stay rooted in God's amazing love.
